Subject matter.

Enquiring if the matter re the abolition of the Postal Savings banks at the Dt and Pk Head Quarters is receiving the consideration of Govt.

To

The First Assistant Resident
in Mysore.

Sir,

I am directed to state that the Durbar have had under consideration for sometime past, the desirability of approaching the Government of India on the subject of the abolition of Postal Savings Banks in the Mysore State. As the Hon'ble the Resident is aware the Treasuries of the Durbar located at all District and Taluk Head Quarter Stations are doing Savings Bank work and Postal Savings Banks at these places in addition to serve the same object, appear superflous. Savings Banks are not an integral part of the Postal System, and the abolition of the Postal Banks in the State will not be felt as a hardship by the people. I am to request that the Hon'ble the Resident may be moved to kindly address the Government of India and ascertain if they have any objection to the abolition of all

Postal Savings Banks within Mysore territories.

2. In this connection it may be added that the resource operations in connection with Postal Savings Banks transactions viz., the supply and withdrawal of cash have to be done by the Durbar's Treasury Department and the present arrangement amounts to requiring the Durbar to move funds at some cost to enable the Postal Department to carry on a service which needlessly competes with a branch of the Durbar's Public Service.

3. Recently the Durbar have sanctioned the extension of the scope of Treasury Savings Banks to villages. A scheme of Urban Feeder Banks has also been sanctioned Copies of the orders sanctioning these schemes with the rules relating thereto are appended. From these papers it will be seen that the adoption of the Durbar's suggestion will not lead to any inconveni-
